

Shuzi Ring Sizer

To Measure the Size of a Ring you already have

1. Print this page at 100%
2. Place a ring over the below circles to determine its size
3. Keeping in mind that some of the Shuzi Qi styles also have ½ sizes

To measure the ring size of a finger

1. Print this page at 100%
2. Cut out around outside of the image as well as cutting the line marked A (ensure there is a small join left at each end).
3. Wrap ring sizer around the desired finger and insert B through the slot made at A
4. Once the desired fit is achieved, the number on the scale represents your ring size.
